

Happy Birthday!

In honor of your special day, a donation has been made to Farm Sanctuary for:

From:

This gift will directly help save animals like Lois and Clark and provide them with lifelong care and sanctuary. Animals who suffered the nightmare of "food animal" production will now live a life they once only dreamed of... full of nourishing food, cozy straw-filled barns, green pastures to play in, companions and loving caregivers. Your special contribution is helping to protect farm animals everywhere from abuse and create a more humane world for ALL.
